

## Company News

### New Board Member

We are pleased to welcome Leona Bishop to The Fluent Self Board.

Leona became a TIFF Provider in the Netherlands in 2015, and has since become our Caribbean Network Coordinator. She has a background in organisational development and change management.

## News from our UK Members

### Introduction to TA – new workshop

Graeme Summers and Susannah Temple facilitated the first pilot of this new workshop in March. Mahesh Deshmukh, Functional Fluency Network Coordinator, also attended in preparation for offering the workshop in India, as a pre-requisite to the next TIFF Provider Licensing Training. A few adjustments are being made, after which the workshop outline and materials will be available to UK Providers wishing to facilitate it.

### UK TIFF Provider Licensing Training (TPLT)

1<sup>st</sup> group session, exploring the Functional Fluency model with Susannah.

3 experienced Providers are working alongside Susannah on this programme, to become part of a pool of UK TPLT trainers.

## News from Around the World

### New TIFF Providers in the Caribbean

Congratulations to our first group of TIFF Providers who have completed their TPLT on Curaçao with Leona, and Rian from our Netherlands Network.

Leona is working with 2 fellow Providers on a new project using TIFF with staff at a local school.

### Functional Fluency workshop at TA conference in France

'Hope' is the theme of the TA conference in Lyon in November. Valérie Cionca is running a workshop entitled 'The Functional Fluency model as a hope for efficient relationships'.

### TIFF Providers in South Africa tuned into 'horse-power' as part of their Network day.

Alex worked with Willow to discover where he's using his energy now, and on ideas of how to navigate the journey ahead.
